

**With Rhyme™ fungicide,
powdery mildew has
no place to hide.**

X-RAY_4367548

Rhyme™ fungicide is one of the most systemic products in its class, moving throughout the plant faster than other triazoles and offering protection where others struggle. In fact, Rhyme fungicide has earned one of U.C. Davis' highest ratings for powdery mildew control.¹ In recent trials, it consistently outperformed competitive fungicides.² Offering preventative as well as curative activities, Rhyme fungicide is rainfast in just two hours.
